

# Aspen OA Knee+

Uncompromised Durability Meets  
Extended Wearability

Left	651011
Right	651012

This premium brace is ideal for patients with mild-to-moderate Osteoarthritis. The low profile, universal design allows for less inventory and better patient compliance.

**CODE L1843/L1851 APPROVED**

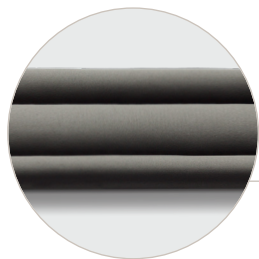

#### Aspen Knee Suspension Wrap

Can be used in conjunction with the Aspen OA Knee+ for patients needing additional support. The Aspen Knee Suspension Wrap helps the brace from migrating on patients and can help prevent skin irritation.

**Aspen Knee Suspension Wrap**  
Code L2397 Approved

651111

**Non-Slip Pads**  
Comfortable, non-slip pads to help prevent migration.

**Two Point Hinge Adjustment**  
Hinge adjustment for even pressure distribution and comfort.

**Range Of Motion**  
Adjustable stops allow you to set the range of motion for appropriate treatment during continuum of care.

**Easy Application**  
Proprietary one-step closure system for easy donning and doffing.
